

**For Qualified Companies, full-time employees may take
Classroom and Online classes
up to **50% discount!*****

To take a course:

1. Check out both Current and Online classes (see our webpage menu below).
2. Locate the class or classes you desire for yourself or for your employees.
The cost to a qualified company will be 50% of the published price* shown on the webpage.
3. The training or HR representative must contact MATC Custom Fit to register the employee.
Do **not** register the employee online or you will not receive the Custom Fit discount.
4. The employee only needs to show up on the first day of class or logon from their computer.
5. The MATC will invoice the company the discounted cost of the class.
