

The MATC Offers APICS Courses

The [MATC](#) is the official training partner for the APICS, [Sundance Chapter](#). As such the MATC offers all ten of the standard APICS modules.

APICS (CPIM Courses)

- Basics of Supply Chain Management
- Master Planning of Resources
- Detailed Scheduling and Planning
- Execution and Control of Operations
- Strategic Management of Resources

[Click here for more detailed information on each course.](#)

[Click here for a current class schedule.](#)

Don't delay! Call us to add your name or the name of anyone else in your organization to our interest list if you wish to take any of the APICS courses. Once we have at least 6 people interested in a course we will schedule a date.
